Must provide a brief description of proposed plan or modification with dimensions, location, material used and color. For color changes indicate where each color will be used, the type of surface to be painted, i.e., stucco, wood siding, etc., manufacturer and color number with color chips (2 sq. in. minimum). For landscaping, list size, type, location of plants and show drain locations.
*Tree Removals: Define type of tree, height and current location. Explain justification for removal. Note: replacement of tree may be required.
