Vol. XXXVIII No. 104 June 2015

## Homeowners Meeting

The Board of Directors meets the third Wednesday of each month. The next meeting which is the Annual Meeting is Wednesday, June 17, 2015 at 7:00 p.m. in the Community Center Cardroom. All homeowners are invited to attend.

All meeting notices and meeting agendas are posted on the bulletin board at the Community Center.

## Greenbelt Water News

Water, water, water...The California drought has put water on our minds as we rack our brains to figure out ways to cut back on our personal usage. How many of you out there use a bucket to collect the water in your shower as you wait for it to heat up? Yup we are all doing what we can to save that precious liquid.

So, as we watch our lawns dry up, and those brown spots grow, we're sure many of you are wondering why the Greenbelt is still so green? Well, there's a really good answer to that question. About thirty years ago, a very forward thinking Board of Directors along with the City of Westlake Village figured out that our Greenbelt watering system could be retrofitted to use reclaimed water. This water is much cheaper and saves thousands of dollars a year. More importantly with our current drought status, today's restrictions allow the use of reclaimed water three times a week instead of only two for potable water. This is just enough for us to stay green.

Hopefully El Nino will appear and the drought will be over next rainy season. In the meantime our Greenbelt can at least stay relatively green. Keep saving water neighbors, and if anybody knows a good rain dance, well, start dancing.

*Beautiful Home ~ 4444 Henley Court*

## FNDC Families

June is finally here which means the start of camp is rapidly approaching! Registration will be open all the way up until June 15, the first day of camp. Space can no longer be guaranteed, so be sure to sign up as soon as possible! We are anticipating a busy summer, so sign up now!

Our summer Kick-off BBQ is on Tuesday, June 16 starting at 5:30. The whole neighborhood is welcome and we hope you'll join us for some good food, good fun and, of course, lots of swimming! You are also invited to a BBQ on Friday, July 3rd to kick off the holiday weekend. Hope to see you there!

For information, please visit our website at [www.firstneighborhood.org/fndc](http://www.firstneighborhood.org/fndc). You can also email me at [FNDCamp@gmail.com](mailto:FNDCamp@gmail.com) or call (818) 889-4802.

Our 48th year at camp is gearing up to be a good one! The counselors and I can't wait to see you!

- Jelly Bean Jenn

## Camp Pool Schedule

Enclosed is a tentative pool schedule of when the pool is used by the Summer Camp children. As always you are welcome to swim at anytime, unless of course the pool is closed.

## Looking for a volunteer who is an Architect for the Architectural Committee

The FNPOA is seeking an Architect to work as a volunteer on the Architectural Committee. If you are interested please contact Sharon at the First neighborhood Office at (818) 889-0632 between 8:30 am and 12:30 pm.

## 2015 Annual Walkthrough

The 2015 Annual Neighborhood Walkthrough has begun. Now is a good time to take a look around your property and make sure there are no CC&R violations.

# The Sheriff's Department Community Tips

## DANGERS OF DRINKING

Alcohol is the **number one** drug of choice for teenagers. Alcohol-related car crashes are the **number one** killer of teenagers in the United States. Alcohol is the **number one** drug problem in America.

If you think it can't happen to you, look around. Check your school's yearbooks for the last ten years. How many have been dedicated to a student who was killed in a drunk driving crash? Ask your friends how many people they know that have had bad things happen to them when they were drinking. You don't even have to be the one doing the drinking. Most teenage passenger deaths are the result of alcohol-impaired teenage drivers. No matter what the situation, drinking alcohol under the age of 21 is illegal.

### How Alcohol Affects You

- You see double, speech slurs, you lose your sense of distance.
- Alcohol loosens inhibitions; you make bad judgments that can result in car crashes, unwanted pregnancy, sexually transmitted diseases, or rape.
- A significant proportion of violent crimes and vandalism among and by youth involve alcohol.
- Using alcohol can cost you your freedom. You can be grounded by parents, lose your driver's license, or even end

## Community Center Calendar of Events June - July 2015

### JUNE 2015

Thursday 4	Girl Scouts	12:30 p.m.
Friday 5	Party	9:00 a.m.
Saturday 6	Party	9:00 a.m.
Saturday 13	Party	9:00 a.m.
Monday 15	Camp starts	9:00 a.m.
Tuesday 16	Camp BBQ	5:30 p.m.
Wednesday 17	Architectural/First Neighborhood POA Meeting	6:30 p.m./7:00 p.m.
Saturday 20	Party	9:00 a.m.
Saturday 27	Party	9:00 a.m.

### JULY 2015

Friday 3	Camp BBQ	5:30 p.m.
Saturday 11	Party	9:00 a.m.
Saturday 18	Party	9:00 a.m.

up in jail.

- You can get sick or die of alcohol poisoning.
- Poor grades can be a result of alcohol use.

### Be Aware of Advertising

Take a good look at how the alcohol industry is trying to convince people to use their products.

- Wine coolers are displayed in stores next to fruit drinks. Maybe they don't think you'll notice the difference between a fruit drink and one with alcohol.
- Different brands of beer and other alcoholic beverages are slipped into the movies you watch. They think if you see your favorite actor drinking it, you will too.
- The models on the beer commercials are always young, fit, and beautiful. But alcohol has plenty of calories and little nutritional value. Drinking it will not make you more fit or attractive.
- Advertisements feature celebrities and sports figures. But drinking will not make you famous or athletic.

### Dangers of Drinking

- Alcohol advertisers are now trying to be more responsible by telling you not to drink and drive. But drunk driving is not the only way alcohol can affect your life.
- Advertisers hope you won't stop and think when you see their ads. Don't be conned. Use your best judgment and learn the facts.

### Some More Facts About Alcohol

- The earlier young people start drinking and using drugs, the more likely they are to become addicted.
- Drinking coffee, taking a cold shower, or breathing fresh air will not sober you up. The only thing that sobers you up is time—at least several hours.
- One beer, one shot of whiskey, and one glass of wine all have the same amount of alcohol. Don't fall for the notion that beer and wine are less intoxicating than hard liquors.
- Only 3 to 5 percent of alcoholics are what we think of as bums. Most alcoholics are just like the people you know. Anyone can become an alcoholic - young, old, rich, poor, married, single, employed, or out of work.

## Minutes of the First Neighborhood Property Owners Association Board of Directors Meeting • April 15, 2015

The First Neighborhood Property Owners Association Board of Directors assembled and held its regular meeting on Wednesday, April 15, 2015 at the First Neighborhood Community Center at 31830 Village Center Road.

### Call to Order

President Brad Halpern called the meeting to order at 7:28 p.m.

### Members Present and Constituting A Quorum

Brad Halpern, President  
Don Miller, Vice President  
Sophie Brown, Secretary  
Bill White, Member-at-Large

### Members Absent

Kelly Ray, Treasurer

### Others Present

Len Polan, Architectural Committee  
Robin Hirsch, Greenbelt Committee  
Jenn Kestenbaum, Summer Camp Director  
Sharon Howard, Recording Secretary  
Tish Matthews, Association Manager

### Homeowners Present

There were no homeowners present at the meeting.

### Greenbelt Report

Robin Hirsch reported on the greenbelts. Mr. Hirsch reported on the greenbelt street signage which will set into the concrete at the end of each greenbelt path that leads to the cul-de-sacs and borders the greenbelt. This will make it easier for residents to determine their location in case of an emergency. Mr. Hirsch will supply the Board with a sign sample at the next meeting.

MOTION – A motion was made by Sophie Brown to move forward with the greenbelt street signage and pay for a sample to be made. Motion was seconded by Don Miller and passed unanimously.

### Architectural Report

Len Polan reported for the Architectural Committee. Mr. Polan stated he has two applications for solar panels to be reviewed and the 2015 annual walkthrough will begin mid-May. Tish Matthews stated she has a contact person who may be interested in working with the committee and homeowners on developing guidelines to install native landscaping. Mr. Polan brought the board up to date on the current water restrictions in which recycled water will also be included to the restrictions.

The following applications have been approved by the Architectural Committee:

#0054	4511 Yorkfield Court	Garage Doors
#0173	32014 Grenville Court	Solar Panels
#0176	4500 Beaconsfield Court	Solar Panels
#0434	4424 Beaconsfield Court	Remodel, Windows & Doors
#0455	31776 Village School Road	Paint
#0506	4214 Hartfield Court	Garage Doors
#0569	4307 Abbingdon Court	Landscape, Hardscape
#0650	4403 Regents Court	Gate, Paint, Enclosure
#0658	4211 Beaucroft Court	Landscape

### Summer Camp Report

Jenn Kestenbaum, Summer Camp Director reported early bird registration closed April 4th. The summer camp advertisement placed on Conejo Deals sold out within hours. Currently 76 campers are enrolled at camp, 56 non-residents and 20 residents. Ms. Kestenbaum stated the Westlake Village Street

Fair was also a great success.

### Management Report

Tish Matthews reported the pool was heated the first week of April and will continue through the end of September. In February AAA pools had to replace the pool heater and issued the Association a credit for previous work. The Board asked management to obtain a proposal to paint the outside stucco of the Community Center building. The Board also discussed changing all the light bulbs in the Community Center to LED lights which will be a big savings on electrical usage.

MOTION – A motion was made by Sophie Brown to change out all the lights bulbs in the Community Center to LED lights. Motion was seconded by Bill White and passed unanimously.

### Approval of Minutes

MOTION – A motion was made by Sophie Brown to approve the March 19, 2015 Regular Minutes. Motion was seconded by Don Miller and passed unanimously.

MOTION – A motion was made by Don Miller to approve the March 19, 2015 Executive Minutes for legal matters. Motion was seconded by Sophie Brown and passed unanimously.

### Financial / Delinquency Report

Tish Matthews presented the Financial/Delinquency Report. Ms. Matthews reported the total cash on hand as of March 31, 2015 is \$587,899.11. Income currently over budget due to clubhouse fees and assessments.

MOTION – A motion was made by Sophie Brown to approve the March Financials. Motion was seconded by Bill White and passed unanimously.

MOTION – A motion was made by Bill White to approve the March Delinquency Report. Motion was seconded by Don Miller and passed unanimously.

### Old Business

Tish Matthews reported she is in the process of meeting with a new vendor regarding the beautification of Freedom Square. Brad Halpern discussed the slow process of the walkway along Agoura Road.

### New Business

The Board discussed to 2015-2016 Community Center rental rates. The Board agreed to keep the residents rates at \$600 and non-resident rates at \$1,500 which is the same as last year. All rental applicants must reside in the Conejo Valley.

MOTION – A motion was made by Sophie Brown to keep the Community Center 2015-2016 rental rates the same as last year. Motion was seconded by Don Miller and passed 3-1.

The Board reviewed the 2014 Audit Report from Purdy & Company.

MOTION – A motion was made by Don Miller to approve the 2014 Audit Report. Motion was seconded by Bill White and passed unanimously.

The Board also discussed the letter received from Urban Wildland Conservation Specialist Cathy Schoonmaker regarding their Nature Neighbor Program. The Board suggested placing an article in the upcoming newsletter.

### Community Center Applications

The following applications for the use of the Community Center were reviewed and approved.

<u>NAME</u>	<u>EVENT</u>	<u>DATE</u>
Resident	Party	07/26/15
Non-Resident	Party	08/08/15

There being no further business the meeting adjourned at 9:11 p.m.

Respectfully submitted,  
Sharon Howard, Recording Secretary

# Sunset Magazine

## May Checklist

### Planting

**Plant Subtropicals.** They're widely available in nurseries now and grow quickly in warm weather. Many will provide garden color well into winter. Choices include banana, bird of paradise cestrum, ginger, hibiscus, palms, philodendron, and tree ferns. And don't forget flowering vines. Look for bougainvillea, bower vine, mandevilla, stephanotis, thunbergia, and trumpet vine.

**Plant in Shady Spots.** The soil in the northern and eastern exposures near walls is finally warming up. It's a good time to add ornamentals to these cool spots. Good choices include abutilon, clivia, coral bells, hydrangea, Japanese anemone, and shrubby fuchsias.

**Plant Summer Vegetables.** Set out transplants of cucumbers, eggplant, melons, peppers, and tomatoes. Sow seeds of beans, corn, cucumbers, New Zealand spinach, okra, and squash. Coastal gardeners can squeeze in another harvest of leaf lettuce. High-desert gardeners can plant short-season varieties of beans, corn, cucumbers, melons, pumpkins, squash, and tomatoes.

**Plant Summer Annuals.** Fill empty spots in the garden with heat lovers like ageratum, portulaca, verbena, vinca, and zinnias.

### Maintenance

**Feed Actively Growing Plants.** Roses, lawns, annual flowers and vegetables, container plants, and just about anything actively growing in the garden will benefit from fertilizing now. Don't feed natives or drought tolerant Mediterranean's, though.

**Treat Iron Deficiencies.** If gardenias, citrus, and other susceptible plants exhibit yellowish leaves with green veins, they may not be getting enough iron. To correct, apply iron chelate as a soil drench or foliar spray, following package directions.

**Divide Irises.** Crowded or poorly clumps of bearded irises can be divided now. Discard woody centers, rooted portions, and rhizomes without leaves and divide remainder. Each division should have one fan of leaves, a young rhizome, and developed roots. Shorten leaves with scissors to compensate for root loss before replanting. If you garden in the high desert wait until October to divide.

**Reset Lawn Mower Heights.** Let tall fescues grow taller to shade roots and conserve soil moisture. Set blades to cut at 2 to 3 inches. Bermuda, on the other hand, should be cut shorter. Set blades to trim at 1 inch. Zoysia, St. Augustine, and kikuyu grass can be cut even shorter.

### Pest Control

**Combat Rose Pests.** Along the coast "June gloom" creates ideal conditions for powdery mildew. Combat by hosing off foliage frequently in the early morning to wash off spores or spray with 1 tablespoon each of baking soda and fine grade horticultural oil diluted in a gallon of water. Avoid spraying when temperatures exceed 85 degrees. Inland, start watching for spider mites.

**Wash Away Pests.** Aphids, mites, thrips, whiteflies, and other insect pests can be kept to manageable levels with water. Use a strong jet to dislodge from plant leaves. Avoid pesticides: they kill beneficial insects, too.

### Welcome New Neighbors

These new residents have recently moved into our First Neighborhood and we welcome them. As new residents and members of the First Neighborhood Property Owners Association, you should call the Community Center office (818) 889-0632 if you have any questions regarding your new home or neighborhood.

Todd & Karen  
4523 Guildhall Court

### Time to Vote!

Its election time in First Neighborhood. Two seats are open on the Board of Directors and we urge you to vote for your choices as soon as you receive the Ballot. If you don't vote, it can cost us money. Unless at least 167 ballots are received, the whole process has to be repeated until we do. So again, please mark your Ballot as soon as you receive it. Enclose it as instructed and return it in the stamped reply envelope provided

### Pool Party Rules

All residents are invited to bring guests to use the Community Center pool when the resident is present. If the resident is planning to bring more than a few guests or have a small party, prior approval is necessary from the Board of Directors by submission of the Community Center use application. If you have more than 10 guests you will need to submit a certificate of insurance to the office. It should be noted however, that the pool is always open for use by all residents.

### Approved Architectural Requests

**DATED MATERIAL**

---

*(continued on page 2)*

## DANGERS OF DRINKING

- Drinking alcohol does not quench your thirst; it causes dehydration.
- Alcohol interferes with your central nervous system. You lose balance, coordination, and judgment.
- Alcohol ages and damages the brain.
- Alcoholism is hereditary.
- Eight young people die in alcohol-related crashes every day.
- Teens who drink alcohol are 7.5 times more likely to use any illicit drug, and 50 times more likely to use cocaine than young people who never drink alcohol.
- You are breaking the law by buying or using alcohol before you are 21 years old.

### Take Action

- Make a pledge with your friends that you will help each other avoid alcohol and other drugs. Leave parties where kids are drinking or taking drugs.
- If a friend or someone you know has passed out from drinking too much alcohol, turn the person on his or her side and call 911. Too much alcohol can cause the central nervous system, which controls breathing, to shut down. Death can result.
- Don't ride with someone who has been drinking. Call a taxi, your parents, or another relative or friend for a ride.
- Encourage someone you think has a drinking problem to get help. Go with them to Alcoholics Anonymous meetings or to meet with a counselor.

- Write ads for your school newspaper that make people aware of advertising gimmicks.
- If you belong to any club or other youth group, suggest that its members organize an anti-drinking project such as an alcohol-free post-prom, graduation, or New Years Eve party.
- Make a presentation to your school's PTA meeting about how teachers and parents can help kids avoid drugs and alcohol.
- Ask for help if someone is pressuring you to try alcohol or other drugs. Talk to someone you trust.

If you have any questions, please contact Deputy Shawn Brownell at (818) 878-5506.

# TOO TOXIC TO TRASH

## Household Hazardous Waste and E-Waste Roundup

Sunday, June 7, 2015  
9:00 am - 3:00 pm

Calabasas Landfill  
Scale Area  
5300 Lost Hills Road  
Agoura

Open to all Los Angeles County residents

# Dispose of Household Hazardous Waste and E-Waste the right way on Sunday:

## JUNE 7, 2015

### BUSINESS WASTE WILL NOT BE ACCEPTED.

#### What you CAN bring to an event (examples):

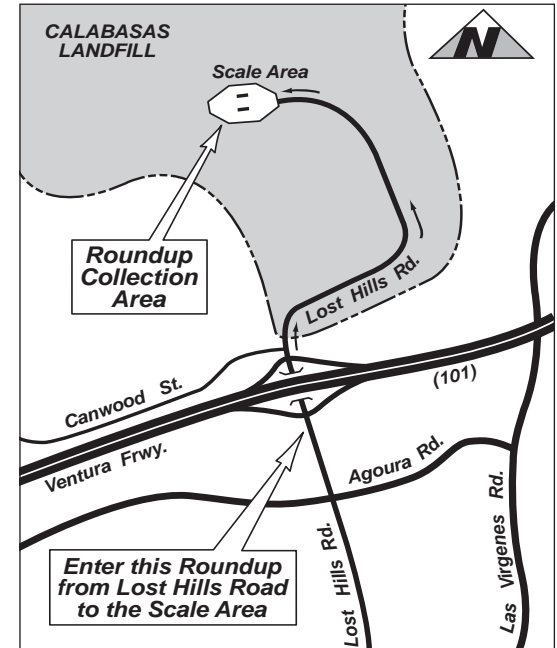

- Brake fluid, paint\*, paint thinner, cleaners with acid or lye, pesticides or herbicides, household batteries and car batteries, pool chemicals, motor oil, oil filters, expired pharmaceuticals, anti-freeze, and fluorescent light bulbs.  
*\* You can also recycle paint at participating retailers through the PaintCare Program. Details at [www.PaintCare.org](http://www.PaintCare.org) or (855) 724-6809.*
- Household electronic waste including: Computer monitors, televisions, computer CPUs, keyboards, printers, cell phones, etc.

#### What you CAN'T bring to an event:

- Hazardous waste and electronic waste from businesses.
- Explosives, ammunition and radioactive materials.
- Trash and tires.
- White goods such as refrigerators, stoves and washing machines, etc.
- Controlled substances.

#### How to prepare items for transportation:

- Bring the items in a sturdy box, preferably in their original labeled containers.
- Do not mix the items together.
- There is a limit of 15 gallons or 125 pounds of hazardous waste per trip.
- Be prepared to leave your containers and boxes. Remove all other items from your trunk.

Brought to you by the County of Los Angeles and presented by the Department of Public Works and the Sanitation Districts of Los Angeles County in cooperation with the cities of Agoura Hills, Calabasas, Hidden Hills, Los Angeles, Malibu, and Westlake Village.

Home-generated sharps waste such as hypodermic needles, pen needles, syringes, lancets, and intravenous needles SHOULD NOT be placed in your trash. Bring them to the Roundups or visit [www.CLEANLA.com](http://www.CLEANLA.com) for alternate disposal options.

Scan this code for a schedule of upcoming events and a complete listing of what you can and cannot bring, or contact: 1(888) CLEAN-LA • [www.CleanLA.com](http://www.CleanLA.com), or 1(800) 238-0172 • [www.lacsd.org](http://www.lacsd.org).

You can also take your used motor oil to more than 600 oil recycling centers in Los Angeles County. Call 1(888) CLEAN-LA for a complete listing.

Printed on recycled paper.
