

FIRST NEIGHBORHOOD HOMEOWNERS ASSOCIATION

ANNUAL PRUNING OF FIRST NEIGHBORHOOD TREES WILL BEGIN ON

DATE: Monday April 29th - Wednesday May 1st

*The schedule may be subject to change based on
weather or emergencies.*

Dear Homeowners:

If you would like your trees trimmed by Treescapes, we are offering a 10% discount to the homeowners during our pruning visit.

Please contact our office no later than Friday May 3rd for a complimentary estimate. This is a contract between the homeowner and Treescapes; costs, scheduling and communications.

Approved Homeowner proposals will be done after HOA trimming on Wednesday May 22nd.

We would appreciate your cooperation in not parking under any trees on the scheduled tree trimming days and in helping us access your property to clean up any fallen debris from HOA trees overhanging your property. Please feel welcome to contact our office with any questions or concerns.

We look forward to hearing from you!
